5. If you wish, you can download the following sheets. These are the same as the hard copy sheets that accompany the survey materials:

Please note: We suggest you **FIRST** complete the questionnaire in **hard copy** before transferring your answers to the online form.

- a. The General Information Sheet and Question and Answer Sheet for Survey 33
- b. The Coded Answer Sheet for Survey 33

6. The first page of the questionnaire has information about: (1) Details of contact person (2) Dates the materials were received and dispatched; (3) Staff information (4) Equipment and methods used.

Please complete these by filling the text boxes, clicking on the circles or selecting the answers from the drop down lists.

7. Click on 'Next' at the end of every page.

8. Read each question and select your answer from the drop down list of code(s) taken from the Coded Answer Sheet as shown in the diagram below.

A) Analyse the haemoglobin lysate sample labelled L112010 and report the haemoglobin level in grams per decilitre (g/dl)

Please Select

B) Examine the stool sample labelled F112010 and report your findings.

with your clinician, outline the management of this patient.

with the public health staff at your facility, indicate what advice you ther to prevent the problem recurring.

9. Repeat this process for all questions. After completing the answers to all questions, it is **MANDATORY** to indicate the **quality of the materials**.

PLEASE NOTE: If you select '**Unsatisfactory**', please type in your reason(s).

Quality of EQAS materials for Question 1 **S111008**

Satisfactory Unsatisfactory

State Reason:

Prev Next

10. **IMPORTANT NOTE:** If you are unable to answer any questions, select code **CLP000** and **CLP001** provided on the Coded Answer Sheet. If you select CLP000 or CLP001 state your reason in the text box provided.

A) Perform an HIV test on the serum sample labelled **S112010** and record your results

CLP001

State Reason or Give Alternative Answer:

11. Click on '**Next**' to proceed to the next question and follow the same procedure for answering.

12. The online survey **automatically** saves data. In case the browser is accidentally closed or if there is a power outage before you complete entering the answers to the questionnaire, you can resume from where you left off by clicking on the 'Use Data' button as shown:

PLEASE NOTE!

You have submitted some data stored in the Local Storage! You can use it or clear it and start from scratch!

Clear >

Use Data >

13. When you have completed all the questions, you can **preview and print** your results. To make any corrections before you submit, click on the '**Previous**' button at the bottom of the page which will take you back to the previous page; similarly you can review all pages.
14. Once you are satisfied that the information you have keyed in is correct, click on '**Submit**'.
15. **PLEASE NOTE:** Once the form is submitted, you cannot return to "**Preview**" or correct it.
16. If you encounter any technical difficulties, please contact EA-REQAS on:
